COLLEGE OF LAW & INTERNATIONAL RELATIONS

About College of Law

It offers a vibrant undergraduate Law degree using English as the language of instructions in most of its courses. The college's pioneering curriculum and its diverse faculty are attracting the best and the brightest students in the Kingdom of Saudi Arabia. Students learn from distinguished scholars and practitioners who have very good academic credentials. Through such a well-rounded education, Alfaisal Law graduates will become practitioners who are able to help government agencies, local and international law firms, and companies to manage and run their legal affairs.

Tracks

The College of Law will offer its Bachelor of Laws Students LLB the core subjects required to qualify in some common law jurisdictions. This shell also enhances Alfaisal position as a valued partner with well-known universities and professional bodies for academic and professional purposes. At the end of the program, moreover, students will be able to focus on a particular track either Diplomacy & International Relations, International Law, Government & Public Policy depending on their interests.

Mission

Providing students with the necessary knowledge and skills to work with local and international law firms. Providing students with the necessary knowledge and skills to work in international service and diplomacy.

Connecting the Kingdom's with the legal changes taking place in the international community. Promoting legal research to be at the service of the Saudi government.

Help in making legal reforms in different areas of law for the benefit of the Saudi Arabian government and its agencies. Cooperate with regional and international academic research centers. We aspire to become the leader in legal research in the Kingdom of Saudi Arabia. Our mission is to provide quality education, legal research, and fostering partnerships with international universities, as well as local and international law firms.
